**Suggested Use:** Shake well. Take 11-22 drops, 1 to 2 times daily. You can gradually increase as you see fit. This can be taken under the tongue or in a room temperature drink.

For optimal spiritual connection, take The Dream Elixir during the new moon and leading up to full moon, your lunar return (according to your birth chart) or tithi pravesha to enhance its dream-enhancing properties. Create a sacred space by lighting ocean blue candles, honoring Auset and set your intention before taking the elixir. You may enhance its effects by placing a moonstone or amethyst nearby during use.

The Dream Elixir embodies the ancient wisdom of the Moon's mysteries, channeling the divine feminine energy that governs our dreams, intuition, and emotional depths. This sacred blend, crafted in harmony with lunar cycles, creates a bridge between the physical and astral realms. Each ingredient is ritually selected and moon-blessed, carrying the essence of nocturnal wisdom and spiritual awakening.

Not only does it offer a gateway to ethereal realms, but it also nurtures the body and aligns chakras, promoting a harmonious balance of physical and subtle energies. Ideal for dream exploration and meditation enhancement, The Dream Elixir is your potion for tranquility and insightful awakening.
