

Nefer Kali Healing Guide

Balance Tincture

The Balance Tincture is a sacred harmony of ancient plant wisdom, crafted to restore the divine rhythms of the feminine cycle. This blend connects with the primal energies of the womb space, channeling nature's healing intelligence to bring equilibrium to both physical and energetic bodies. Each herb carries centuries of traditional knowledge, working in symphony to cleanse, nurture, and rebalance the sacred vessel of creation.

Each herb in this sacred blend carries specific energetic properties: Holy Basil Krishna brings divine protection and clarity, while Red Reishi serves as the immortal mushroom of spiritual longevity. Ashwagandha grounds divine feminine energy into the physical realm, as Burdock Root draws out that which no longer serves the womb space. St. John's Bush illuminates the path to inner balance, while Red Raspberry Leaf embraces the womb with motherly protection
